1.0 Bellevue Place Education Trust – Our commitment

Learn. Enjoy. Succeed.

Three words that mean the world to us.

Three words that have been with us from the day we started Bellevue Place Education Trust.

Three words that govern all that we do.

As a parent you can expect excellence, both in how we teach and nurture your child. We foster a positive attitude to life, encouraging a ‘be interested and be interesting’ attitude by providing a rich learning environment full of arts, drama, sport, music and academic rigour.

Bellevue Place children are happy, confident, successful 'all-rounders' who expect to win and achieve in an inclusive setting where children, parents and school staff work together to provide the best. Our commitment to you and your child is that we will teach them to learn, enjoy and succeed both in their school career and beyond.

2.0 Introduction

Our school uniform policy is based on the notion that a school uniform promotes a sense of pride in the school, looks smart and is practical and makes children feel equal to their peers in terms of appearance. Uniform should be worn with pride for the reason that everyone has the same smart appearance and celebrates belonging to the same school. The clothes the children wear should enhance that professional appearance.

3.0 Uniform Supplier

Our uniform is supplied by Uniform for Kids (www.uniform4kids.com). As a web-based supplier, Uniform 4 Kids offers parents the convenience of shopping when they choose and from wherever they are. Uniform 4 Kids also has several shops across London for your convenience. More information about the supplier can be found on our school website.

5.0 Roles and Responsibilities

Staff

The Head teacher and all staff are responsible for enforcing the Kilburn Grange School uniform policy.

Parents

We ask all parents who send their children to Kilburn Grange School to support the school uniform policy. We believe that parents have a duty to send their children correctly dressed and ready to learn. One of the responsibilities of parents is to ensure that their child has the correct uniform, and that it is clean and in good condition.

6.0 School Uniform Changeover Periods

As the weather is very unpredictable the school does take seasonal changes into account during the transition periods between winter and summer uniform. Generally, winter uniform is acceptable from the start of school in September through to the start of the Summer Term. Summer uniform may be worn from the start of Summer Term through to half term in October. The school blazer may be worn throughout the school year.

7.0 When is the uniform required?

Children from Reception to Year 6 are required to wear the full uniform to school at all times. Children must wear the uniform when representing the school at events outside of the school. Children are at all times ambassadors for the school, and never more so than when larger

groups are on school trips. The children should wear the uniform with pride as it identifies them as children of Kilburn Grange School.

Children should wear the P.E. uniform and/or designated P.E. team sports kit when they are representing Kilburn Grange School at inter-school sporting events. Specific details are provided to parents at the start of each term about when PE uniform is required with the curriculum timetable.

8.0 Jewellery and Make-up

- Children with pierced ears may wear a single stud-earring or a pair of stud earrings to school which we recommend is removed for all sports/P.E. for safety reasons. Children must not wear rings or necklaces or any form of jewellery to school. Plain watches (not toy watches) may be worn; however they must be removed prior to playing sport and during P.E. lessons. If there is a religious reason for wearing jewellery, seek permission from the Head teacher.
- Children may wear belts when they know how to fasten them confidently.
- Hair should be kept tidy and secured away from the face. Hair covering eyes must be clipped back to ensure it is away from the eyes. Long hair should be tied back, away from the face. Hair styles that include part-shaven heads or designs cut into the hair are not appropriate for school. Hair bands, clips and other hair accessories should be plain coloured. No oversized, brightly coloured bows or hairbands are permitted as they can be a health and safety hazard.
- Children must not wear make-up, including nail polish. If children come to school with dyed hair or highlights, they may be asked to have them corrected as this is not permitted in term-time. Press-on tattoos should be washed off/removed for school.

Failure to Wear School Uniform

The Head teacher will decide what is to be done if a pupil's appearance is judged to be inappropriate. If any pupil arrives at school dressed inappropriately, they will either be asked to change what they are wearing or be given a shared-use uniform to wear for the rest of day.

9.0 The Parents' Perspective

- On their first day, your child should wear uniform (winter or summer depending on the weather) and should bring their book bags.
- You do not have to buy everything from Uniform 4 Kids. Shirts, dresses, trousers, shorts, tights, and socks may be bought from elsewhere.
- John Lewis and M&S sell items in smaller sizes (i.e. from 3 years).
- Summer uniform is recommended in the summer term. The Kilburn Grange baseball cap or a plain coloured sun hat can be worn during the summer to help keep cool in the hot weather. It should be worn the correct way to help keep the head cool and to shield the face from the sun. It is also advisable that parents apply water proof sun cream on their child prior to coming to school during the summer.
- Children should arrive to school wearing their P.E. kit on P.E. days. Your teacher will provide a timetable at the beginning of the term during the 'Meet the Teacher' presentation.
- Blazers are required every day (except P.E. uniform days) and will be worn for special events such as assemblies and school trips, both local and further afield.

- In cold weather, children should wear a hat, a scarf and gloves. Make sure they are all labelled – as these are often the items of clothing that go astray.
- There is a lost property box located in the Reception area.
- Parents are asked to label all of their child's uniform clearly, including the tie, shoes and socks. **IF IN DOUBT, LABEL IT!** This can be simply done with a special pen or sew-in/iron on tags. The book bags, back packs and P.E. bags have inserts or labels to write your child's name.
- Apart from items requested by the school, children are discouraged from bringing personal belongings (including toys and key chain toys) to school, especially those of value. Swapping or trading is strictly not allowed.

10.0 Lost Uniform

It is inevitable that uniform will get lost from time to time and most items do turn up by themselves. To help, the school has the following system for returning lost items:

- All items of uniform must be clearly marked with the child's full name;
- All LABELLED items will be returned to your child;
- Unmarked items will be put into a uniform sale at the end of each term;
- Staff will take every opportunity to ensure that children are dressed in their own school uniform. It is ultimately the responsibility of parents to check their uniform at the end of the school day. From time to time mistakes do happen and children leave in uniform belonging to another child. Should this happen, parents are requested to return such garments to the child's class teacher and the school will ensure it makes its way back to the rightful owner.
- If a parent donates uniform that their child no longer requires, the school requests for it to be in a clearly marked separate bag or given to the office to prevent it going back into circulation.

11.0 Monitoring and Review

The Head teacher and all staff will be responsible for ensuring that this policy is fully implemented. The Head teacher will ensure that the school uniform policy helps children to dress sensibly and with pride in clothing that is durable, safe and practical.

The school welcomes children from all backgrounds and faith communities. The Head teacher will work with the parents of Kilburn Grange School to ensure that the policy is implemented fairly and with sensitivity. It is the responsibility of the Head Teacher to ensure that the school uniform meets all regulations concerning equal opportunities.
